The initial investment is small—about the cost of most one-time service calls. And, you have the choice of parts-only, labor-only, or parts-and-labor coverage for up to ten years. And, considering the full cost of replacing equipment or the cost of a major repair—Performance Promise protection offers you outstanding value and peace of mind.

The Performance Promise Protection Plan is offered by Luxaire® and your Luxaire dealer. Which means:

- No third party is involved

- Total parts-and-labor coverage for up to 10 years!

Plus, with Performance Promise protection, you get the added value of having a comfort plan that can be transferred to the new owner if you should ever sell your home during the term of the policy. So, Performance Promise can actually add value to your home.

### ■ Fast and Easy Access. Unlimited Repairs.

It's like having a zero-deductible healthcare plan for your home comfort system. No deductibles. No hidden costs. No limit to the number of repairs. And, because you're contacting the Luxaire dealer that sold you the equipment, you'll get quick access to the service you need.

### ■ Excellent Performance from a Comprehensive Protection Plan.
